**[PROPOSED] ORDER GRANTING
 EXTENSION OF CONDITIONAL
 DISMISSAL
 [F.R.C.P. 41(a)]**

Honorable Jeffrey S. White

On February 18, 2010, the Court entered an Order (D.I. No. 91) for a voluntary 30-day Conditional Dismissal with prejudice of the above entitled action, under Federal Rule of Civil Procedure 41(a). The Order provided that Plaintiffs or Defendant could restore this matter to the Court's active docket in the event that the parties fail to fully execute a written settlement agreement within 30 days from the date of this Order. The parties are in agreement about the terms of the settlement and have reduced the agreement to a writing ready to be signed by the parties. However, the transaction contemplated by the settlement requires the consent of a third party. The third party was requested to provide the necessary consent on March 19, 2010, once the parties had finalized the language of the settlement agreement. In order to provide the third party with a reasonable time to review and consent to the proposed transaction, the parties hereby stipulate and request the Court to extend the February 18, 2010 Order (D.I. No. 91) for fifteen (15) additional days.

IT IS SO STIPULATED.
